DESCRIPTION

Located in a quiet and sought-after neighborhood of Saint-Cyr-sur-Loire, just steps away from shops, bus lines, and the peaceful banks of the Loire River, this brand-new 2025 apartment sits on the second floor of an elegant, modern, high-end residence (built to RT 2020 standards, fully secured). The building's entrance hall is enhanced by an original contemporary artwork created by a Nantes-based artist.

Offering 67.70 sqm of living space, it opens onto an entrance hall with a built-in storage closet, leading to a separate guest toilet and a full bathroom. The generous living area brings together the lounge and kitchen spaces, flooded with natural light through two sliding glass doors and supported by a practical adjoining pantry.

The living room opens onto an 11.30 sqm tiled terrace enhanced by an authentic tuffeau stone facade, featuring both a sheltered covered section for year-round comfort and an open-sky area to enjoy sunny days.

The sleeping quarters offer two bright bedrooms illuminated by tall windows.

Two underground parking spaces and a private storage unit in the basement complete this property.

Exclusive Developer Incentive: Notary fees and agency commissions are fully covered by the developer, who also includes custom-built bespoke wardrobes. Additional opportunities are available within this premier residence, ranging from one to three-bedroom apartments to signature penthouses.
