DESCRIPTION

Coldwell Banker Immoba Realty – Andernos-les-Bains Real Estate Agency presents this charming 1930 property, ideally located in the highly sought-after Mauret district on the Basin side, enhanced by a renovation and extension designed by a local architect.

Designed with light and spaciousness in mind, this property reveals a contemporary living area where the open-plan kitchen and dining space benefit from an impressive 7-metre glass façade, flooding the interiors with natural light throughout the day.

On either side of this central space, the home unfolds harmoniously. A first living room of over 40 sqm impresses with its generous ceiling height, large windows, skylights, and wood-burning stove, creating a warm and elegant atmosphere.

The more private sleeping area features a master suite with its own en-suite shower room, along with two additional bedrooms sharing a second shower room. An open office space and a utility room complete this thoughtfully designed home, created for optimal everyday comfort.

Outside, a beautiful wooden terrace invites relaxation, offering a jacuzzi area as well as an outdoor dining space, perfect for enjoying sunny days.

The quiet setting, immediate proximity to local shops, and quick access to the Basin make this property a rare opportunity in the area.
