DESCRIPTION

Coldwell Banker Immoba Realty Andernos-les-Bains is pleased to present this exceptional opportunity in the highly sought-after Betey district:

a stunning newly built architect-designed villa enjoying a prime location just a few steps from the Bay, in a preserved setting offering complete privacy and absolute tranquility.

From the moment you enter, the generous volumes immediately impress. Filled with natural light, the living space features an elegant cathedral-ceiling lounge, a welcoming dining area, and an open-plan kitchen designed for everyday comfort. A utility/laundry room completes this functional space.

The living areas open seamlessly onto a beautiful covered terrace and carefully landscaped outdoor spaces, where you will enjoy a heated tiled swimming pool — a true invitation to relax in complete privacy.

The sleeping area has been thoughtfully designed, offering a ground-floor master suite with its own shower room and dressing room, while the upper floor features three additional bedrooms sharing a bathroom.

The villa also stands out for its high-quality finishes and materials: carefully selected features including Porcelanosa flooring, refined and understated décor, and architecture inspired by the distinctive “Bassin” lifestyle with elegant, carefully crafted lines.

Built on an approximately 560 sqm plot, the property also includes a garage.

Its greatest privilege: enjoying a peaceful setting with no overlooking neighbours, while being able to reach the Bay within just a few minutes on foot for a swim or an evening stroll at sunset.

Newly built home compliant with RT 2020 regulations and benefiting from structural warranties, including the ten-year guarantee and building damage insurance.
