DESCRIPTION

Perched high above the ocean in one of Bidart's most coveted enclaves, this exceptional property ranks among the rarest offerings along the Basque coastline. Nestled within a secluded, landscaped estate spanning five hectares, this exclusive residence commands breathtaking panoramic views of the Atlantic, where each sunset unfolds like a living masterpiece.

Completely reimagined in 2021, the main residence has undergone a meticulous renovation, blending authentic character with contemporary refinement in a manner that is both elegant and timeless.

The ground floor reveals a vast, light-filled reception room complete with fireplace, a dining area that opens onto a panoramic terrace, and a fully equipped, high-end kitchen. On the first floor, two spectacular suites offer awe-inspiring ocean views, while a third suite occupies the top floor.

The garden level features a fourth suite, a laundry room, a boiler room, a wine cellar, and a cold room — ideal for culinary connoisseurs. A 65-square-metre garage completes this level.

The estate further includes two separate and beautifully renovated dwellings: a spacious 115-square-metre guesthouse and a discreet yet functional 30-square-metre caretaker's cottage.

Outdoors, an exceptional pool area is harmoniously integrated into the natural surroundings, facing the ocean, complete with a sauna that invites moments of pure relaxation in an extraordinary setting. A private path leads directly to the beach.
