DESCRIPTION

Coldwell Banker Immoba Realty Andernos-les-Bains presents this elegant villa, designed by an architect and fully renovated by ARCAS in 2007. With four bedrooms and two bathrooms, it offers spacious layouts perfectly suited for family living.

The main living area, filled with natural light thanks to sliding pocket doors, provides a seamless flow between indoor and outdoor spaces. A stunning contemporary fireplace adds warmth and a welcoming atmosphere.

Carefully selected materials such as Bulthaup and Porcelanosa, along with IPE wood finishes and terraces, give the villa character, originality, and exceptional quality.

For thermal comfort, the house features underfloor heating on both levels, reversible air conditioning, and an M Design fireplace.

A 30 m² double garage, adjacent to the neighboring garage, provides ample storage space in this sought-after Bassin area.

The plot allows for the installation of a swimming pool to the north or a small lap pool to the south (less than 10 m²), adding an extra element of relaxation to this already attractive property.
