DESCRIPTION

New to the market – Built at the end of the 19th century, this elegant villa is located in the highly sought-after Ville d'Hiver area, just steps from the Parc Mauresque and the town centre.

The ground floor offers beautiful reception rooms: a vestibule, a living room, a dining room, an independent kitchen and a study.

The first and second floors host six bedrooms, each equipped with a washbasin, including two suites with bathrooms and two suites with shower rooms.

The basement consists of three storage areas, a cellar, a dressing room and a workshop.

Full of character, with original period features preserved.

A garage completes the property.

Possibility to build a swimming pool.

Energy rating: D (201)
