DESCRIPTION

Presented by Coldwell Banker, this 230 sqm property offers a living environment of rare elegance in the municipality of Talmont-Saint-Hilaire, in the highly sought-after Baie de Cayola area, just on the outskirts of Les Sables d'Olonne. Located just steps from the waves, it has been designed for those seeking the perfect harmony between the wild coastal nature, privacy, and refinement.

A secluded wooded estate

From the moment you arrive, the charm takes hold. The villa is set within a 2,800 sqm wooded park, forming a true green shield that guarantees absolute tranquility. The outdoor space was designed as a living area in its own right: a superb heated swimming pool (12 x 5m) blends naturally into this lush setting, while a 30 sqm covered terrace and its summer kitchen promise beautiful receptions as soon as the warm weather arrives.

Generous volumes designed for entertaining

The interiors are distinguished by a seamless layout and generous spaces. The ground floor is enhanced by a 40 sqm master suite, an intimate and refined space opening directly onto the garden. The upper floor is entirely dedicated to hosting family or friends, featuring four beautiful additional bedrooms and two shower rooms. A 48 sqm double garage completes the high-end amenities of this home.

The perfect balance between nature and coastal vibrancy

The privilege of this residence also lies in its prime location, along the extension of the Vendée corniche. While enjoying the absolute peace of the pine forest, you can reach the golf course, Port Bourgenay, and Veillon beach in just 5 minutes. The bike path, accessible only 100 meters from the house, allows you to ride along the coast, while the bustling center of Les Sables d'Olonne is a 10-minute drive away.

A summer family home, a prestigious pied-à-terre, or a year-round primary residence... this villa embodies the elegance of our coastline.
